## FLOWERS ON THE PATIO

Each year the MCC Women's Association purchases and plants flowers on the patio. These flowers enhance the outdoor area and are enjoyed by all Club members. Watering is crucial for keeping these flowers alive and beautiful during the growing season. We are asking for volunteers to help with watering the flowers, and this year we've made it even easier to be a volunteer. New varieties of flowers will be planted this year requiring less maintenance, and no deadheading required! All we need is for you to sign up for a four (4) day shift to keep our patio blooming for the summer. A signup sheet will be posted in the Pro Shop and will also be in the Club lobby on Friday and Saturday for your convenience. You **Do Not** need to be a golfer in order to be a volunteer. Golf carts are available for you to use; buckets and lighter watering cans are available as well. Grab a partner or take on the task on your own. Let's all work together to keep the patio blooming for the summer.

Thanks for helping with those little things that make our Club so great!
